

After School Class Deadlines and Policies

Late Enrollment/Cancellation: All registrations made after September 6th, 2022, will be subject to a \$20 late enrollment surcharge. After school fees are non-refundable after September 6th, 2022. Late enrollments must pay the full course price.

"Tryouts" and "Drop-Ins": Peregrine does not prorate After School fees, nor do we allow students to take courses on a drop-in basis. There is a \$20 fee for trying out a course on the first day before enrolling and arrangements must be made with the Extracurricular Coordinator. The \$20 tryout fee will then go toward your late enrollment surcharge.

Late Pick-Up/ Early Drop-Off: Peregrine Elementary aftercare (Kestrel Club) is a program with infrastructure only for our enrolled elementary students; we cannot accommodate non-Peregrine students in aftercare. All Peregrine students enrolled in enrichment classes will receive complimentary care from 3 pm to the start of their class. **There is a 10-minute pick-up grace period after the enrichment classes end.** If a student is not enrolled in Kestrel Club, and is not picked up within this grace period, they will accrue Extra Hours charge at the rate of \$4/quarter hour.

Food Policy: Peregrine is a *peanut and shellfish-free school*. We do not serve any foods that contain or may contain peanuts, tree nuts, or shellfish. If your child has a food allergy, please ensure the Student Food Allergy and Intolerance Form and Emergency Care Plan are up to date.

Inclusion and Special Needs: We always strive to accommodate every member of our Peregrine family to the best of our ability. However, due to the short-term and dynamic nature of our After School programming, we cannot guarantee all forms of accommodation a child may need. Families with children who have special needs, learning challenges, and/ or disabilities should communicate with the Extracurricular Coordinator about whether and how accommodations can be made.
