

2023 - 2024 ECC Tuition Payment Schedule

The purpose of the ECC payment schedule is to align our billing with our academic calendar which runs from August 29, 2023 to June 11, 2024. Your **standard monthly tuition payment** will cover approximately 18 days of service. A “service day” is a day that school is in session. The dates of service provided will be noted in the email that accompanies your tuition billing statement each month.

The academic year is divided into ten monthly payments for all ECC programs. All payments are due on the 1st of each month.

The first tuition payment of the academic year is due September 1, 2023. On September 1, 2023, the tuition invoice will be **127%** of your standard monthly tuition payment, which is:

- i) **27%** of your standard monthly tuition payment
(for August 29 – September 5, five days of service), plus

- ii) **100%** of your standard monthly tuition payment
(for September 6 – 29, eighteen days of service)

On June 1, 2024 the tuition invoice will be **73%** of your standard monthly tuition payment (for May 23 – June 11, thirteen days of service).

On the 1st of all other months during the academic year, the amount due will be 100% of your standard monthly tuition payment (for approximately 18 days of service).
